

Summer Week 5

6/28 – 7/2

Where are we going?

- ❖ Antarctica

Fun activities we will be doing:

- ❖ Borax crystals
- ❖ Making bouncy eggs
- ❖ Giving our toys a bath!
- ❖ Waddling like Emperor Penguins
- ❖ Creating class shirts

Preschool

The Week Ahead

Week 5 is a little different than the weeks before. We are going to bundle up and take a trip to Antarctica! Before we go, here are a few photos from week 4!

Angel Falls, Venezuela painting

Painted rocks from Puerto Rico

Pasta jewelry from Argentina

We are ready to take a break from the summer heat on Monday and learn about why Antarctica is the windiest place in the world! Tuesday we will discover what Emperor penguins eat, and how they stay warm in ice water on Wednesday. Thursday we will take a tour of Port Lockroy and meet staff members that work on the ice breaker called Aurora Australis on Friday.

Please remember to bring in a white T-shirt for Thursday or Friday to tie dye!

During our story times, we will talk more about authors, illustrators, and what it means to dedicate a book to someone.
