

# Summer Week 4

6/21 – 6/25

## Where are we going?

- ❖ Brazil
- ❖ Venezuela
- ❖ Chile
- ❖ Argentina
- ❖ Peru

## Fun activities we will be doing:

- ❖ Paper plate anacondas
- ❖ Make our own straw easels
- ❖ Egg carton "head" art
- ❖ Craft stick llama puppets
- ❖ Make our very own Peruvian Panpipes

# EPS

## The Week Ahead

We are visiting South America this week. Follow along as we explore and discover what makes each of these places unique!

*We created our own classroom "pond" with frogs!*

*Sand table sensory play (left) and a lava lamp that we made as a class! (right)*

We are going to have so much fun this week! On Monday we are going to "visit" the Cathedral de Brasilia and the Amazon Rainforest. Tuesday we will talk about Angel Falls, and Wednesday the students have a chance to learn all about Easter Island and some very cool national parks in Chile. On Thursday we will take a tour of the Caminito Street Museum, and we will finish off the week on Friday by learning all about Rainbow Mountain and Big Frog!
