

Summer Week 6

7/6-7/9

Where are we going?

- ❖ Egypt
- ❖ Kenya
- ❖ Madagascar
- ❖ Uganda
- ❖ Congo

Fun activities we will be doing:

- ❖ Pharaoh masks
- ❖ Studying animal movements
- ❖ African necklaces
- ❖ Congo drums
- ❖ OSMO station time!

Preschool

The Week Ahead

We are going to visit exciting new places in Africa! These are some photos from our trip to the south pole before we go!

Icey suncatchers

Growing Borax crystals

Wildflower Goop

Since we have a short week, we will be mixing up the days and activities. Tuesday we will learn about pyramids and Pharaohs in Egypt, then jump over to Kenya and move like wild animals. Wednesday, we will learn Kiswahili slang and study lemurs in Madagascar. Thursday will be full of bird watching and necklace making in Uganda. Friday we will make Congo drums and dance!

We will have Kona Ice on Friday! ☺

We will put our listening ears to the test and read "How to Find an Elephant". We will need to follow the directions in the story to search for the elephant.
